It is your responsibility to make sure the position of your mount is correctly stated, along with any other instructions. If your invoice is not correct, please make the necessary changes on this form. Thank you!

Invoice # _____ Animal: _____

Your name _____ Phone # or email: _____

Corrections or additional information:

Information about deposits.....

Deposits are the basis of our funding system. They cover initial expenses that otherwise come out of our own pocket.

In order to insure your mount is completed in a timely manner, a deposit is needed on your work order. If a deposit is not received, no work will be performed until the required deposit amount (50%) is paid.

Thank you,
Leland Reinier
