

Dear customer:

Enclosed you will find:

\*Brokerage Company Information

W.E.L.L. Worldwide Energy Logistics Company-“Routing Instructions”

Power of Attorney

\*Hide & Horn Tags(2 per animal)

Big Cat Taxidermy’s Import license # is on EACH tag.

The information you receive is for the brokerage company we use to clear your trophies once back in the US. Hide & horn tags for each of your animals are included as well. It is imperative that you attach one tag to each hide & horn/or skull per animal(2 tags per animal).

You will need to fill out & return your signed power of attorney either before leaving on your trip or directly after. The POA allows WELL to consign & clear your trophies. If it is not signed, you will be required to be in Houston when your trophies arrive to clear them. It is best to make several copies (5) of the “routing instructions” & give a copy to your Guide/ PH & /or taxidermist prepping your trophies . Being prepared saves a lot of time & frustration. As always should you ever have any questions please feel free to call or email us & we will be more than happy to help. May you have a safe & successful trip... best of luck in the field!
