

## **HUNTERS:**

It is very important for you to fill out the power of attorney form for our brokerage company so that they can sign for your trophies. Otherwise, you will be required to be in Houston to sign for them at Customs. You will need to give Well's shipping address to your PH or to the taxidermy shop prepping your trophies. Please email or fax the POA & credit card form to Well Worldwide Energy Logistics either before you leave or directly upon returning from your trip. Call or email us as soon as you know that they will be shipped, as we need to let the brokerage company know to look for them.
